

The logo for BalticLab is a teal square with a white border containing the text "BalticLab" in white. The letters are stacked vertically: "Bal" on the top line, "tic" on the second line, and "Lab" on the third line. The letters are in a clean, sans-serif font.

BalticLab

The background features a large, stylized, semi-transparent grey letter 'B' that serves as a frame. Inside this 'B', there is a faded, grayscale image of a modern office or laboratory interior with desks, chairs, and equipment. A solid teal vertical bar runs along the left edge of the page.
